Visiting of Lambs at school

During the month, Lambs were visited at St. Kizito High school where Lambs had an opportunity to be counseled on behaving well while at school. The Lambs were also encouraged to work hard in order to improve their grades. Children were also encouraged to maximize every opportunity they have while at school in terms of group discussions and consultation with teachers.

Senior six results

During the month, senior six results were released by Uganda National Examinations Board and 2 of the Lambs did the exams: Nambalirwa Elizabeth and Najjemba Damalie. Betty got one principle pass in food and nutrition, one subsidiary in chemistry and she is going to do a certificate in Nursing. Damalie got a principal pass in food and nutrition, one subsidiary in chemistry and biology and she is going to offer a course a diploma in Hotel and Institutional catering at YMCA Comprehensive Institute.

Caring for sick children

One of the core values of Ugandan Lambs USA is caring for sick children as a way of meeting their physical needs. A paramount objective of all Ugandan Lambs Association USA's programs is addressing health vulnerabilities by improving access to quality health services, disease prevention and psychosocial counseling in a bid to enable the Lambs have good health, which is a precondition for living a life of dignity. During the month Nabbosa Harriet was sick and she was suffering from cough and Malaria. She was taken to Tendo Medical Center for treatment and she is now fine.
