Dear Ugandan Lambs family,

The board of directors wants to update you before several head off to Uganda on September 5, so that you can be in prayer for us! Sam Sebabi, Will Bolinger, Ron Mosley, Gertrude Nantaba, Ron Bournes, and Glenn Haggar are excited about what God will be doing in and through them on this trip: please pray for health and safety as they travel, and for good ministry with the children as well as our Ugandan staff who are doing such a great job caring for our Lambs.

We had a good time of prayer last Sunday (the 14th), discussing and lifting up our young adult Lambs who are facing the challenges of independence in various ways. It is a daunting life stage for anyone their age; even more so for orphans in a third-world culture. Our God knows each name and situation; we are grateful that they are in His hands.

One last bit of news, for those who are not aware: ULAUSA is registered with Amazon Smile, and receives a percentage of each purchase made by those of us who are signed up. There is no cost or impact on how or what you order with Amazon; and once signed up, so long as you enter the Amazon site through smile.amazon.com, all of your normal shopping is credited. Nice! Log-on at <http://smile.amazon.com/ch/26-4632172> and Amazon donates to our organization.

Blessings!

Joan Mosley, Board Secretary
